Thread: [Selling | Snapchat Money Making Method | LIMITED 4 COPIES LEFT! | NO EWHORING!?!?!?](#)

ReallySecure - August 8, 2019, 1:20 pm

Hello, today I'm releasing a method I have been keeping to myself, but today I have decided to sell two copies of it, this method contains how myself and a few of my friends earn money every month very quickly with snapchat. This method uses a site that sell apart of the method and you use those to buy people shit on other sites like Pretty Little Things and JD!

How the method works:

This method works by selling shit from another site which will gain you profit if you sell from. Coming with the method is a pack of methods to help you earn more money but some will be paid only methods and some will be private so i will only send the ones that people mainly want!
PROOF IS ON DISCORD

Proof:

Posting pretty soon

Note:

This is a legit method and contains everything you need to know about how to use it correctly and not get caught

Vouches:

None atm

Copies:

Copy 1 [Price: \$35]

Copy 2 [Price: \$45]

Copy 3 [Price: \$65]

Copy 4 [Price: \$150]

I'd be interested in buying after I see some reviews and earning proof.

Not even a broad description? Would giving a basic description with 4-5 words give the whole method away?

Gdoss - August 8, 2019, 3:35 pm

super vague, no specifics, no vouch copies, no nothing. Something smelly in here...

It wont allow me to put proof on the forum so i have to do it in Discord.

Not really saying your a scammer, just that I feel like its not a quality post or sale unless theres vouches or reviews

My customers are not obliged to give reviews or vouches as i stated to them before they purchased, i also operate under a 30-day money back guarantee and i don't have time to make a quality post because im too busy doing the method.

Got banned already... I was considering buying it with a middleman...
