Are you the original owner? Any strikes? Can it be monetized?

italodeox - August 11, 2019, 6:05 pm

If you can monetize the channel I am interested in buying it.

doubt it's monetized, even if it was, it would be worth way more than \$23

It was monetized before and it has 1 strike which expires soon but it has the option to apply for monetization not disabled.
