Thread: [Recent logos I designed](#)

Arcrimonia - August 14, 2019, 2:59 pm

Here's a small compilation of logos I've made. I would love to hear your thoughts on them

Linux X - August 14, 2019, 11:32 pm

I liked the first logo, its so clean and minimalistic.

The ford guard.

duplex - August 14, 2019, 11:51 pm

Wow, they are some very professional designs.

How much did you charge for those logos?

If those were just for your portfolio, around how much would you charge for something similar?

All were commissioned, and my logo prices start at \$40. Shoot me a PM if you're interested!
