Is your smtp allowed using spoof address?

If yes, can we uses any custom name as sender email ?

What prices is your smtp?

The smtp is for business/domain emails and office365 emails not for gmail/hotmail or other public email services.

I have a separate package for public emails, chat me on WhatsApp +1 704 308 3918 for more details about that.

emmgold - August 22, 2019, 2:43 pm

I will prefer for you to chat me here other than going to whatsapp, for public domain package what's the cost

Still \$50, but there is a limit of 10k sending daily

emmgold - August 23, 2019, 12:28 am

Okay fair enough, if you don't mind then test me with that email I provided so I can see the delivery rate

Did you receive anything in inbox or spammed?

emmgold - August 23, 2019, 12:38 am

What did you send because I got so many emails, I don't know the one you sent

IncLom - August 23, 2019, 12:41 am

I'm just asking if he send you the test for the gmail you posted?

emmgold - August 23, 2019, 1:02 am

I have not received anything
I saw it now, it is in spam

Pstarscott - August 23, 2019, 2:41 am
