Thread: [BEST SELLY.GG USERNAME STORE](#)

uzi - August 18, 2019, 12:28 am

I don't know if people still buy these, but I have a list of OG selly.gg's if anybody is interested.

List:

@arabic
@buyers
@catalog
@deliver
@guard
@hundred
@misc
@place
@promotions
@resource
@thousand

if you are interested lmk.

I don't think anybody will be interested in those mate. Try contacting some big OG username sellers or account sellers on selly and maybe you will find some luck

thought so, thank you. I just found them in my notes and was looking to get rid of them!

thanks for the tip, ill try that

Don't listen to that guy.

How can anyone be interested if they don't know your product exists. Post this sh!t everywhere, sell that good sh!t.
