At least that's what it looks like.

Probably just some people that saw the camera and wanted to have a laugh

xLukey - August 18, 2019, 5:30 am

It didn't seem like he was given anything in return?

chr1s_ - August 18, 2019, 1:18 pm

lesstech - August 18, 2019, 1:21 pm

Could be a fakey, either way its pretty funny.

MavenGradle - August 18, 2019, 1:23 pm

This is so incredibly old. Everyone and their mothers should have seen this by now if they are somewhat active on the internet. It is also proven that they were simply exchanging pokemon cards..

Condoms - August 18, 2019, 2:28 pm

It's most likely a trolling/joke. Nothing harmful.

Benji - August 18, 2019, 4:08 pm

God I hope it's real XD That's me amazing. No way they don't notice the cameras tho

Laroesk - August 22, 2019, 9:49 am

Probably fake, otherwise they're incredible stupid.

Lindros - August 22, 2019, 10:04 am

Looks like they were just messing around, pretty funny though. Still I'm not aloud to make a public craigslist legal exchange sketchily on a park bench? ?

What kind of world are we living in?

Haahah, I've seen that a long time ago, still thinking about what police thought when they saw it.
