Thread: [Xbox One account perm banned. Can I get my gta account?](#)

SLY™ - August 18, 2019, 3:42 pm

Is it still possible to access my gta account and transfer it to a new xbox one account? My original account is permanently banned for tampering.

nulltax - August 18, 2019, 5:14 pm

I don't use GTA on console (at least anymore) nor do I have an Xbox but I'm pretty sure GTA accounts are tied to the Xbox account and not the social club.

SLY™ - August 18, 2019, 11:04 pm

Damn that sucks but thanks for posting.

EK9# - August 19, 2019, 5:49 pm

Sorry bud it is not possible

Probably not. You could contact Rock* and see if they can swap your character to another account, other than that. No.

Condoms - August 20, 2019, 8:35 pm

If you don't have access to the account.. Most like you will not be able to do so.. Unless a miracle happens on your end.

Lindros - August 20, 2019, 10:21 pm

What were you doing if you don't mind me asking?

I quit playing GTA on xbox because it is just such a grind.
