It can definitely help, but i would not recommend using these articles as your main PR for them.

Hello, I will be contacting you regarding your service! I have a particular niche field and I didn't see it on any of your list of sites but I will contact regardless!

would love to know more, dm me why \$500 is so outrageous? Or are you just bored and feel like going and wasting your own time commenting things like this on a thread?

Stop being so toxic, the shit u r selling goes for \$70 MAX on other forums.

Btw This is not called trashing your thread, u asked me a question and I answered.

I personally bought a similar service for under \$40

Do your research if you want to save over \$450
