Hello, I'am selling very cheap dorks that are very powerful, for very cheap: 1\$ per 1000 dorks.

They are very powerful and you can be sure to dump private combolists ?

You will be sure to get a lot of links and injectables link

I already got more than 30 orders, all satisfied!

I'am also very known in an another cracking forum !

Hit me up on discord for more informations or if you want to buy
