Thread: [\[E-whoring\] Real girl Voice verifications 10 vouches *new service*](#)

callmebabygirl - August 21, 2019, 9:59 am

Hello HF members!

My names is Jusy,20 years old. I have to tell you that my whole time is free but i dont wanna waste it so i offer you my service in order to give you voice verifications for E-Whoring activity.

I'm not new in E-Whoring and i know what customers want to hear so i can adapt my voice to make it real in any situation they put you.

I have a disscord where you can find me to send you a preview record with me talking in different situations because i can't post a link here.

My disscord: m3th3ad#4250

Price table:

- for 1 voice verification- 1.99\$
- for 5 voice verifications- 5.00\$

Vouch copies left: 10/10

! I will only give vouch copies to those who have 100+ posts

I'm waiting for your replies and the vouches will be delivered to the first 10 ones who will ask for it in this thread.

I want to cooperate so im open to new ideas to improve my services. In this way i can do other stuff like writing words on my body parts or paper verifications etc.

Thanks all of you~kisses^.^
