Thread: [Email List 500k UK businesses, full info](#)

666plug - August 25, 2019, 2:09 am

Selling my 500k+ UK SME business list, comes with first name, last name, address, job role, email and number.

This list is current and last updated in May 2019.

Its stored on a Google sheet. Great for marketing business products, services or anything tbh thats worthy of sales or even to click through and subscribe to other lists.

Looking for £400

BTC, ETH, XRP, Dai, XLM Only.

Can sell in parts.
