Thread: [\[Personal Fortnite Account\] OG email + info will be given. Tons of Skins and more.](#)

Slogan - August 25, 2019, 9:13 am

Selling my personal Fortnite account, like i previously sold my LoL account now i will do this, i've stopped playing games and focus on my life as i lose lot of time.

It has lot of skins from older seasons, back lings, harvesting tools, gliders and more.

I've got an appraisal so i know about how much it should cost.

For now though i am taking offers for the account.

Willing to accept easily Crypto Currency (any), Skrill and harder (depending on user) Paypal.

Here is a list of the skins in text and below pictures.
