if u want to witness cringe just look at the latest posts, look at how quickly they come up.
as soon as there's a reply, someone's ready to quote it and say some random sentence thought about in the moment, and as long as it's longer than 25 characters, good!

U know the thread is memey already from the 1st page with 50% of the posts being from lavish living, waiting for someone to reply to just quote em.

@ebook seller, please PM the following top 10 people with a \$1000 / weekly guaranteed ebook they seem to need it

"If among you, one of your brothers should become poor, in any of your towns within your land that the Lord your God is giving you, you shall not harden your heart or shut your hand against your poor brother, but you shall open your hand to him and lend him sufficient for his need, whatever it may

be. Take care lest there be an unworthy thought in your heart and you say, 'The seventh year, the year of release is near,' and your eye look grudgingly on your poor brother, and you give him nothing, and he cry to the Lord against you, and you be guilty of sin. You shall give to him freely, and your heart shall not be grudging when you give to him, because for this the Lord your God will bless you in all your work and in all that you undertake. For there will never cease to be poor in the land. Therefore I command you, 'You shall open wide your hand to your brother, to the needy and to the poor, in your land.'
