Oxy - August 28, 2019, 4:56 am

Will purchase once someone can verify it works! this is def's useful.

mitagatasl1998 - August 28, 2019, 4:59 am

1. That's not the way to do it.... You have to give any information or something?! It sounds like just gimme some 10\$.

2. You don't want to give at least 1 vouch copy, so you are afraid of something.

Mine opinion: Untrusted!

Sorry bruh you can't just ask for money.

You said it works for any sim, I have an sim card in which the number is deactivated, will it work with that?

You will actually get sales if you give out a vouch copy and it works, all it takes is one HQ members review.

I am not sure if it will work with a deactivated number. What happens when you go online now?

Might be better to test it on a (free) prepaid sim.
