Make sure doing this you have a decent cover for the bitcoin, PP will banned for this in a snippysnap.

Thanks for letting me know mate, I'll have a look at how I can keep myself safe. Thanks!

For the time being I will only be handling small exchanges, so I'm afraid the most I can do for you is \$10 mate. (ref thread & thread title)

BITCHLESS - August 29, 2019, 5:21 am

Please check the details of the dispute and the chaps address, he has been refunded in full just awaiting his closure of the dispute.

(Aug 29, 2019 05:25 AM)Delphinn Wrote: [\[CITE\]](#) Then why do u say \$50 btc in stock if you have 10?

I have \$50 BTC in stock, yes - but if you read the thread and the thread title the maximum I will exchange at any one time is limited to \$10.

This is more of a favour to the community than a service as I make nothing from it, just quick and easy 1:1 exchanges for small amounts. :)

So basically you want to do \$30 in 3 contracts?

I think you'd be best asking someone else for your exchange sir, I'm only looking to do small exchanges equal to or less than \$10. Exchanging more than that would just be hassle for myself and you by doing multiple exchanges. I'm not exchanging higher than \$10 a time due to the fact I make 0 profit.

Ex-Exchanger - August 29, 2019, 5:32 am

with fees and everything related \$10 bitcoin is not even worth the purchases at 1:1

OP should raise this 1mbtc lol who would buy just 1
