Good game

Regulus - August 29, 2019, 4:18 am

I always choose the "Hack into NASA" thingy on the hacking game lmao

Won so many times, lost even more though, it eats the battery though ?

of course you can :)

Lindros - August 29, 2019, 5:53 pm

I have pulled this off once, out of literally what feels like 100 times.

Nuworld - August 29, 2019, 7:42 pm

Congrats on your NSA hack.

However? i have found the game has now become boring.
I'll play it a few time a day only to get the "Failed" massage.

No matter what % you try.

And looking at the clock count down until you can try again.
let alone the Battery times.

I'll wait until there is a new update to the Game/Crews.

I have successfully hacked NASA once... in HF game ofcourse.
Congratulations OP!

Going to hack mine now.
