Does it need to be OG as well? What kind of engagement are you looking for on the account

These details aren't important to me, they will however affect the budget/price of the account IMO.

Hit me with what you have and C/o, BIN

Did you ever get any luck with this mate? I'm looking for a similar account so am looking for what the average prices are.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
