Thread: [Free Bitcoin Method | Easy | Reliable | Legal](#)

razzy the gorilla - August 30, 2019, 3:55 pm

I've got a bitcoin method that's super easy to use and very profitable. I'll be giving out 1 free vouch copy first to ask will get it, otherwise, i'm selling this method for \$7 usd. You've got to spend money to make money. Please do not ask or beg for me to give you this method for free cause i will not give it free other than the 1 vouch copy. If you're interested in buying, contact my discord and i'll send my paypal. I ONLY ACCEPT PAYPAL

This thread seems suspicious to me.

Hmm a new account selling a sketchy method with a new account vouching. Seems legit to me!
