Thread: [No gift from Purple Gift box?](#)

funtela - September 2, 2019, 10:08 am

I got the purple gift box earlier today. I redeemed it in the hack game, but I don't think I received anything. No cash or items. Checked the logs and it doesn't show anything.

Just checking up on this. No biggie, it's just a game. Just wanna make sure it's not a bug or something.

The purple gift box does not provide anything at this time.

Oh :/ Is it possible to have it back as an award for now?

Out of curiosity, why does it say that you can exchange it for an item then?..

I got this as well and opened it but didn't receive anything.

This explains it I guess.

I have never said the purple gift box currently rewards items.

(May 4, 2019 01:48 AM)Xerotic Wrote: [\[CITE\]](#) Only the gift boxes that grant items should be avoided game trading at this time. The game cash bonus and skills bonus both work fine. We are still deciding which items to grant on this VERY lucky win.

(May 4, 2019 06:33 PM)Xerotic Wrote: [\[CITE\]](#) The purple one is the only gift box not currently enabled in the game. However... it will be the best one IMO.

You didn't. The myawards page says it though.

'Purple Gift Trade this in for a Game Item.'

Game-related messages may not be 100% accurate while the game is in beta status.

I understand. Might be useful to change the description on the awards page for now though :)

Not trying to bash you buddy.

Should point that out in that case or something before we gambling nerds redeem our cute boxes :(Should be some sort of "Note: Game is in beta status so this function is not yet working"

EDIT: Not trying to bash you either as ScreemS noted, lly mate and you're doing one hell of a great job <3

Ah damn, I've been really hoping I get the Purple Gift, it's such a nice award.

I really hope you guys are somehow able to get it back.

Not to mention it completed your third row D:

I probably would have exchanged it if I received it as well. Sorry for the loss.

Omniscient - September 4, 2019, 5:20 pm

Purple Gift award granted again. I'll ask Xerotic to disallow opening that box till we have an item to grant.
