Thread: [tool to get rat victim passwords?](#)

nuclear hacker - September 2, 2019, 7:48 pm

hello every one

do you know the best tool to get the rat victim passwords?

i donot mean keylogger

thanks

Qwickload - September 2, 2019, 7:50 pm

The password recovery that comes in nearly every single rat..? :confusion:

Legit every rat has this already built in..

nuclear hacker - September 2, 2019, 7:52 pm

yes i mean password_recovery_tools.

but it doesnot work on njrat

Claw - September 3, 2019, 7:12 am

Use quasar, and this is keyloggers section, and you are saying you are not looking for keylogger.

but it doesnot work on njrat

change the pw.dll plugin on njrat folder with other pw.dll plugin search on google "njrat pw.dll plugin" and replace it

Vuln - September 3, 2019, 7:28 am

(Sep 3, 2019 07:34 AM)Qwickload Wrote: [\[CITE\]](#) alternatively don't use njrat :confusion:

ye no one is using njrat anymore but if the user want to use it he can fix the password recovery

nuclear hacker - September 3, 2019, 1:02 pm

what tool ?

all the tools you given donnot work
