Lol looked promising at first, but diz no good

Emoticon - September 3, 2019, 10:58 am

This is tragic. Unfortunate, even.

You publishing this service anywhere is tragic.

You pretending to run a payment processor is tragic.

But most of all, you claiming this is "just a mistake that can be corrected" despite the fact that half the information on your site is inaccurate, is the actual mistake.

EVERYTHING LOOKS LIKE GARBAGE.

Good luck with sales, pal.
