So I'm trying to make logos so I'm trying to learn to the pen tool

this is a quick work in progress

what do you think?

This is an illustration/mascot, not a logo.

My only criticism is the wings are too dark. Besides that, really good.

I was honestly going for a black pigeon(pigeon of war) so I tried to make it dark, maybe it's too dark I'll try to lighten it up a bit
