Thread: [Make \\$200 - \\$300 per week \(with proof\)](#)

FOUNDER - September 5, 2019, 7:23 am

Hey everyone,

It's been a long time since I contributed to the community.

I wanted to post a method that allows you to make \$200-\$300 per week by participating in surveys.

You get \$30 - \$100 per survey depending on how many surveys you fill.

All you need to do is

1. Go to LinkedIn and find a profile that is a senior IT/Marketing person
2. go to the URL tiny.cc/ia0bdz and signup using the same name and company name
3. Once you get in you will start receiving surveys every week
4. Participate in the survey and redeem points for Amazon/iTunes gift card

I have 7 profiles on the platform and that's how I make \$200-\$300 per week.

You can create more if you want. But be sure to use VPN every time you're logging in from a new profile, or you won't get points for the surveys.

Do post thanks in the comments so others can find this method and they too can make some cash.
