Why this thread is not in contest subforum?

Sorry if I am mistaking something, but you are not giving anything...

There is only a chance to get it, so it basically a contest.

No offenses, just my opinion.

WINNER! Graphic Pleasure WINNER!

After the second number generated, it was a 7!

Good job! You will receive your payment soon, will be followed with a PM :)

Thanks to everyone for participating! Sadly even with 21 votes, the drawing did not make it in top 100 out of 400 potential drawings based on votes..

Quite odd but I appreciate all voters! +repped everyone :)
