CRGM8 - September 11, 2019, 11:41 am

I'm not sure if anyone has mentioned this yet but "fantasy, action" etc watch the TV series Grimm.

kane2026 - September 14, 2019, 3:50 am

Well I can make a few suggestions. I recently watched The Dark Crystal: Age of Resistance. It doesn't get much more fantasy than that. The Quentin Tarantino movie Once Upon a Time in Hollywood is highly recommended, but I guess you have already seen it. Some time ago I saw the first season of Berlin Station. That show has since been cancelled but the first season is pretty good, if you like spy thrillers.

In October there will also be Treadstone, a Jason Bourne spin-off series. Ooh and next week I am watching the movie Ad Astra with Brad Pitt, but that is more Sci-Fi.

Akhtar - September 14, 2019, 10:42 am

Prison Break is a great TV series.
As is Breaking Bad.

And everything else that's decent on IMDB.

I don't like everything from IMBD. Sometimes the votes are like fake.
