For any of those who like Coffee, there's a pretty good offer over at <https://www.dolce-gusto.co.uk/student>

You get 6 * boxes of pods and one coffee machine for £39.99 instead of over £130 using the code "STUDENTS2019" or "STUDENT 2019" at the checkouts.

That is heart breaking. I actually done some maths on this....

If you pick the starbucks pods you get 12 in a box, the Dolce Gusto you get 16 pods. We'll assume that you're wanting to save as much money as possible so you get the 16 pod boxes. $16 \text{ pods} * 6 \text{ boxes} = 96 \text{ cups of coffee}$.

$£39.99 / 96 = 41\text{p}$ each cup of coffee. And you still have a really nice coffee-maker for free. Absolute bargain.

Drinking starbucks coffee right now, made it in the normal drip coffee maker. No pods, just coffee beans ground up ;)
