Thread: [Introductions and the Lounge Head award.](#)

Katyuska - September 12, 2019, 8:43 pm

Does anyone know if the introductions sub-forum counts towards the lounge head award since it is a sub-forum of the lounge?

Sheep - September 12, 2019, 8:51 pm

I was under the impression that the award was strictly for 'The Lounge' and no subforums or other related categories. Could be wrong.

Ivex - September 12, 2019, 8:53 pm

I once made 10 posts in the Intro section to find out.

No, it doesn't count.

Dredd - September 12, 2019, 8:54 pm

I made 1000 posts in the lounge in 24 hours to get mine.

I did it and as a troll at the end one of the Admins deleted a load of my posts and gave me an infraction for LQ posting.

Thank you for any information, I am a tad bit confused about this one. The 30 day time limit is a rolling limit. You just have to post 500 in ANY 30 days. So it is always counting and as soon as there are 500 post in a 30 day period you get the award.

Vyrkfrir - September 13, 2019, 7:49 am

Probably for the best that it doesn't increase in introductions, the amount of generic "welcome to hf

pm me if you need anything" copy and pasted to every thread, right up till it becomes grave digging - would be staggering.

Cooligan - September 13, 2019, 7:52 am

It's a good thing that Introductions aren't included.

Then start a thread that provokes discussion and reply to the replies to it.

That and it's called "Lounge" Head for a reason lol. I was going through the Introductions welcoming people thinking that it would be an easy way to get like 100 posts but my percentage didn't seem to move much. I thought that maybe it would work because Introductions is a sub-forum of the lounge but it doesn't count. It might not be a bad idea though because more people would have a reason to greet new members and make them feel welcome here .

Rigel - September 13, 2019, 4:37 pm

Been working my way towards the award, I'm almost there. In any case, it's theoretically easy to get if people posted in this forum more.

Now I hear what you're saying, I do, but people should want to welcome new members because they actually want to, not because they know they'll get a goal at the end of it.

Keeping the Lounge Head award strictly for the Lounge is the best idea for obvious reason. Plus like I said, it would be abused. The Introductions section would be filled with "Welcome to HF "____", enjoy your stay!" Which offers no real content and almost just a copy-paste post eventually.

I still think it should be strictly Lounge posts and that's it.
Plus makes it that much harder to get. ;D
