Thread: [\[Unique HQ Method\]Make LEGIT \\$1000/month with 10-15 mins daily work - No Investment](#)

NightWolf - September 13, 2019, 9:18 am

Everyone who wants to make it BIG online but have less or no startup cash, this little method is for you as it required ZERO INVESTMENT.

I can say this Unique method will work for each and everyone of you who tries, even noobs or the lazy guys like me ?

It needs no ID, no verification, no investment and you can start making money from Day 1 or 2 itself

For this method, we will use a COUPON TWIST to make money for us. Yes, tons of money ?

Method Category - Greyhat

Things You Need:-

- 20 mins everyday
- Internet connection, duh!

Method with a TWIST:-

- 1.) Go to amazon and then go to the Best Seller section. Choose 5-10 products that are in high demand
- 2.) Create an account on Crakrevenue or Maxbounty or any other CPA network you like.
- 3.) Select some good offers from Crakrevenue that you like or select an offer that pays more
- 4.) Create one page store / website on any free platform like wix / weebly etc. You can get any theme / plugin you want from this Giveaway post of mine.
- 5.) On the page, put the product images and put a 80% off coupon button. Link the button to Crackrevenue CPA offer that you selected.
- 6.) Below the button, put some text like, "to unlock the 80% off coupon, click the button and complete the offer"
- 7.) Then just spam the page link to as many places as you can. Use this list of FB groups to spam

Earnings Proof:-

This is it. Now implement it and start earning now ?

indicud - September 16, 2019, 8:31 am

I'm going to try this with Adworkmedia, I've used it for a long time and have made \$1k+ with it. Do you think my account can get banned for using this method?

DaLypz - October 23, 2019, 10:00 pm

Can you explain please how you get revenue from SEOClerk? In your emails there are emails from SEOClerk but your method it's about products on a website + a button with "80% discount" which contains the CPA offer but there are not SEOClerk links or something like that, I misunderstood something...

Ph3n0m3n0n_1 - October 24, 2019, 11:40 am

good method, i already save this

Yup. Those emails are from SEOClerk which play no part at all. Wow.

Looks like something that could work, I am also quite curious about the image, the emails seem to be from SEO.C maybe I am missing something? good HQ post nevertheless.

CrazyApple123 - November 4, 2019, 3:14 pm

Idk why one would do CPA when you can do stuff like clickbank, by SLIGHTLY adjusting this you can bank way more with clickbank instead of cpa.

sh4d1_ - November 6, 2019, 11:30 pm

New to this stuff would you be able to elaborate on this click bank cpa in general and how it works?

LegendarySennin - November 13, 2019, 2:22 am

man this is seoclerk not a cpa website why???

SIM-4147789 - November 30, 2019, 12:35 am

FANTASTIC post here dude!

Simple, and the lure for this clickbait is good enough for people to use!

Using high-profile images like bestsellers is a great way of getting them to...

VISUALIZE!

if they see themselves getting 80% off Makeup, or Drones, or the new Iphone,
we'lll.....
many clicks!

Pavlov's dogs! association is a strong thing! thats why Gatorade ads have athletes promoting it!
