Thread: [\[Rate\] Album Cover for Friend \[Rollie and Friends\]](#)

Crimin4L - September 15, 2019, 1:02 am

Hey guys my friend is an artist (rapper) and he asked me to do an Album Cover for him. He wanted this picture modified:

Spoiler [\(Click to View\)](#)

He wanted a blue background, with a blue bandanna pattern around the whole train. Next he wanted it to say "Rollie & Friends". He also wanted the train to look "fried" and to add the number 30 to his forehead.

This is what I came up with (He absolutely loved it)

I know some will think it's "Simple" but keep in mind its exactly what the customer wanted.

If you need graphics than click below for my GFX shop :)

As i've seen few of your previous designs i believe you could've done better.

Not to be too critic, just motivating ;p
