The user is banned on HF, try contacting him off-site.

Holy fucking shit, why did you trust that guy with all that amount?

He has 5 opened disputes, you can say goodbye to your money.

Yes, I know. Thank you. But he was online on September 13 for the last time. I don't think he'll contact me again.

You should've bought from Raymond when he used to sell silent PDF/DOC. Only legit seller in all of HF history.
