Thread: [Won Ez Lottery + Dicey Award \(My first award\)](#)

Sugawara - September 18, 2019, 11:32 pm

Feeling lucky today as I just won my first lottery on HF. Honestly, this was my first lottery to try how it works. Also, won the dicey award, my first award in the stash.

I love you, Stanley!

I hope you guys have a good day!

Wow nice one! How many slots did you roll for the award? I've heard that you have to do it in one sitting. Is that correct? Or can I do 10 slots now and then 100 tomorrow and so on?

I don't gamble in real life.

This was just for the sake of enjoyment.

Get a leet upgrade first if you can afford. It's worth the money.

SneakyHF - September 19, 2019, 5:32 am

Wow that's lucky, I'm happy for u =)

Been trying to get that award for a long time now, wasting a lot of bytes..

Yeah I'll be doing it soon enough. I was trying to see if a user wanted to trade maybe a steam game to upgrade me(obviously I'd overpay). I have money on my steam wallet which is a pain cause you can't withdraw haha!

Silent Uprising - September 19, 2019, 5:37 am

Awesome cool man, The icon badge looks good on you :)

So just by randomly playing slot you can win the dicey? I thought you had to win a certain amount.
