Thread: [UNLIMITED GIFT CARD METHOD - \\$1000k IN GIFT CARDS INCLUDED](#)

Montana - September 19, 2019, 10:14 am

Good evening all. Today I am selling a method to get ANY gift card for completely free. I will include 1K in gift cards completely free to get you started as well. The method doesn't provide you the PIN number but you can get a machine to put them on physical gift cards. I spent 800 at top golf this past weekend with these gift cards alone. These gift cards work for almost any store but so far they've been tested for The North Face Gucci Topgolf Darden Hooters and many more! Currently also testing Hilton gift cards but so far it is going good. I will update this thread later today with a better design and more information. You can also post with any questions!

Middlemans will be accepted but you pay fees.

Contract button will be setup soon but current price is \$600 USD!

The other user and I know each other in real life. We had a agreement and he's breaking it. He doesn't have resale rights so now I just sell it myself. I'll provide you a vouch copy if someone else more trusted doesn't come along tonight.

I've replied to your PM already.

NOTE: I know this user in real life that is true

NOTE: I do have resale rights

NOTE: this is a differently typed method. Unrevised and very confusing. I personally typed a new method with 4 extra pages that makes it 1000x better than this one

NOTE: try to get some vouches on your method for comparison. It's definitely not the same as mine

I have no clue how you guys are connected with each other but going back and forth isn't going to work out for either of you, just a tip.

I wasn't intending on selling the method but I'm certainly not letting him profit off of it when he wasn't supposed to resell it. So now it'll be sold for what ever will be less than his no matter what.

His method is different, low quality, templated, and NOT THE SAME. Went ahead and sent Chief the method that this guy has as well. He can vouch for that

I'll take a vouch copy if it's one's available and will give a detailed review. Let me know. Thanks!

After further investigation I'm not going to allow you for this to be sold due to fraud. Same applies for your disputed buddy.
