I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Well I'm kinda torn because I have a free pack and I'm about halfway through that and I've made about \$500 with no guide or mentor.

It's pretty well established but these packs look a lot better and much better suited to Snapchat.

You should consider updating the Katie pack numbers? I remember it being 3 before I bought it bro.

Vouch for my boy, Took me less than 24h to make my first sale, Pack (Jenna) is full of content ranging from full nude to snaps with a few friends on a night out, perfect for social engineering and really making it seem legit, Going to be easy sales, Fresh account not even snap boosted and only having 30 friends, still made a sale.

Good pack ! will be buying again off OP!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

no, none of my pack have verification , you don't really need verification anymore for snapchat

Hey man, bought the Katie pack a while ago. Is there any updates to it?

I can purchase if necessary
