Be sure you meet those requirements as stated in the thread and I will get you your vouch copy on your way. :)

Hustla - September 20, 2019, 9:04 pm

Why deal through Telegram and not deal through here?

Okay sure, that's fine. PM me on-site then, that's fine.

I have other forums I use, less convenient for me to go through all the forums when I can just have it all directed towards my Telegram.

Can I get a vouch copy? I think I'm reputable enough.

Hi,

Thanks for your interest. We can do a middleman, long as you are covering the MM expenses. Feel free to check out my Telegram/Shoppo page, there are plenty of vouches there for me. :) PM me if you have any other questions.

I've send you a message OP ?

xPassive - September 21, 2019, 1:34 pm

Still looking for someone that is highly reputable that will take my vouch copy to vouch for me. Thank you. :)

Vouch copy has been given out to user @Goku.

Goku - September 21, 2019, 2:52 pm

Received a vouch copy from OP.

Created a dummy account in 1 minute and xPassive added 1k vbucks in 2 minutes. Pretty cheap price, would recommend anyone who plays this game and isn't looking to spend a lot for vbucks!

Tip: don't forget that you need to enable 2fa on the dummy account so that you can gift yourself.

This is completely risk-free and legit. No need to worry about a ban.
