how long warranty is on your accounts?

Shone - September 22, 2019, 2:41 am

(Sep 22, 2019 01:14 AM)tuvokaz Wrote: [\[CITE\]](#) how long warranty is on your accounts?

Depends on the account you want to purchase.

For NFL, it's season long (for the listing with warranty).

For Crunchyroll, it's basically depending on availability but at least 1 replacement is guaranteed.

Grammarly, up to 3 replacement accounts.

[censored], 1 replacement.

You get an account. In case the account stops working, you get a replacement from me - up until the season end which is December / January.

I'm pretty much active all the time on Discord, and respond rather quickly.

Last guy who bought NFL ST with warranty from me received 5 extra accounts as a safeguard, so you can see my stance on the warranty clients. ?

Natas - September 30, 2019, 2:48 pm

I got 100's but I have a lot of problems with them most of mine have a error message saying "some one is all ready signed in"

I dont know how to get around this I was selling mine for a lot even on on the facebook market place all over. There is a big profit

in it. But I would spend hours doing customer support and exchanging new accounts. Some people I was unable to get a account

that would play cause of that error. I been looking to see if there was some one who figured out how to sign the other person out.

But good luck with sells that is extremely cheap !

I was selling my regs for \$5 a piece max for 8 - 10 a piece !
with no warranty so thats a real good deal.

Thank you, indeed, lots of accounts have some issues with being already in use though that's outside of my power so I just provide replacements in such cases.

Talked with some friends, there really isn't a way to predict this or do something about it.

My goal with this service is to provide quality, even at the expense of my own profits - that's why the prices are cheap and this is ultimately just a small side income for me.

Live TV subscription?
Dozens of accounts have that.

Directory/ - October 2, 2019, 4:21 pm

Just bought an account off him works perfectly. Support is fast (didn't need any support but just messaged him to see how fast he would respond) didn't take more than 2 mins for him to respond to my message. Login works perfectly he even added an extra acc for me. You get your acc mailed to you immediately after you buy it. Will definitely be back if I need any more accounts!

Shone - October 3, 2019, 2:48 pm

Tidal, Deezer and Napster accounts now available.

36x NFL ST 2019 added.

22x NBA League Pass 2019 added.

For any queries, please do not hesitate to contact me - depending on quantity and availability I'm able to provide dozens of accounts for a lot of different services. Not all services I check are on the thread. Thank you.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Start a contract, you will receive a link to the AUTOBUY shop in the contract (there's going to be a button).

Purchase from the link your required accounts and you will receive them to the email.

Shone - October 20, 2019, 2:54 am

I'm inactive for a day or two until I am back from my mini-vacation.

Stock will be updated promptly - also accepting account type requests so if you need something that I don't have for sale, you can contact me as well.

Shone - October 23, 2019, 6:01 am

Back from vacation - accepting account requests.

NFL Sunday Max and other account types have been restocked.

Shone - November 6, 2019, 5:07 am

Been away for a couple of days - shop has been restocked.

For any inquiries regarding accounts or account type requests, please do not hesitate to contact me.

Shone - November 9, 2019, 7:32 am

Actively looking for account types to add to the store.

If you are interested in certain accounts, please let me know - all my accounts are acquired by myself and there's no "supplier" - so I can attempt to provide what others likely can't.

Let me know, thanks!

Shone - November 10, 2019, 5:00 pm

NFL Sunday Ticket MAX accounts have been restocked and are once again available. Apologies for the delay.

Multiple users contacted me offering PayPal payment, while it is still problematic due to PayPal's agreement with my country - I am looking for options.

As I've stated before - I'm actively looking for requests, so don't hesitate to contact me if you need particular accounts which I currently don't offer for sale.

Thank you and have a pleasant day.
