Liema - September 21, 2019, 8:38 am

Feels good to have upgraded to Ub3r now!

I also wanted to share a lottery if you guys might be interested :

<https://hackforums.net/lottery.php?action=view&lotid=221>

Can someone please tell me from where do I get a @hackforums.net email? I can't find many Ub3r benefits in the settings, where do i find them?

Thanks!

EDIT:

And one more lottery : <https://hackforums.net/lottery.php?action=view&lotid=224>

Ending today (24th Sept), over 2.1K bytes in prize

Ivex - September 21, 2019, 8:42 am

It's a shame you missed the old ub3r freebie forum. Used to be an ub3r only forum where people gave away so much good shit. Used to scroll through there frequently years ago, must've died so they got rid of it.
