Hi all, welcome to Rasak's RDP Shop

All of these RDP's are cracked and residential.

You can buy normal user RDPs, admin RDP's and/or RDPs with very high specs.

Start a contract if you want to buy

Bulk prices:

6 RDPs 28\$

8 RDPs 38\$

10 RDPs 45\$

- Any amount over that will be cheaper.

We can also provide high specs / CPU for mining, let me know by contacting me, and we will negotiate a price.

Cheapest on Hackforums guaranteed

Remember - no deal will be made without a contract.

Vouch copy available: 1 (not taken) - must also be done through contract. Post if you want a vouch copy.

Would love a vouch copy to test mining.

Cheers.

I would love to get a vouch copy.

My main concern is if it's a residential IP or not.
