Maybe? We need to know what it came from to even begin to tell you.

That looks like a file open in a hex editor though, but only showing us the end of the file.

Twistd - September 23, 2019, 5:22 pm

Looks like binary data. You're also giving us no context to work on.

NYANxCAT - September 24, 2019, 7:06 pm

You should save and upload ur wireshark *pcapng so we can read it and analysis it
