Thread: [\[\[AUTOPILOT\] \[FREE\] Earn 50\\$ day one 30-50\\$ every day after that](#)

Unk0wn - September 24, 2019, 2:35 am

Step 1:

Firstly [Sign up here:](#)

This Website Pays Bitcoins for every box opened.
Also if anyone does free signup at your referral link
you get around 35 -38 gems (one gem to redeem for each box)
along with 30% amount of gems for every offer they complete.
The Link Above is my Referral link, Which By Signing Up Will
Give you 50 Gems Instead of the Original Starting amount
of 35 Gems

Step 2:

Automate Opening Of The Boxes With The Following Script:

[Which you can find here](#)

The Above Script is a Tampermonkey Script, Tampermonkey is
a Browser Extension Usually Used To Automate Simple User
Activity.

Proof that they pay out!

sain321 - October 17, 2019, 5:59 pm

thanks for the update lets check it out

Paulhaha - October 20, 2019, 12:35 pm
wth 0.049 btc for withdraw...

SWAGIZLITFAM - October 30, 2019, 5:25 pm
Going to try this out thanks

H4B1T - November 5, 2019, 5:58 am
tampermonkey instantly says "\$ not defined" when you try and input it

raghavsood999 - November 7, 2019, 12:49 am
Well what if i don't refer people?
Can i still earn by opening one by one box each day or the script does how many box's a day for you?

You don't have to refer anyone it just takes a bit longer then

icquexarouzhie - November 7, 2019, 3:20 pm
how does one uses the script?

boss223 - November 7, 2019, 3:42 pm
It was automating while my diamonds finished now it can't open boxes...how do I get diamond to open boxes any script for that too?

this is very similar to blocksmash . io
probs the same people
the minimum payout is too high for a normal person

Money4Money - December 5, 2019, 11:21 am
Can you send me the Method

Thanks for your time.

Lootbits.io it's a scam and a waste of time

JoJohan - January 29, 2020, 11:12 am

im new, how do i make the file i got into an extension. as it is just a .txt for me

mahmoudshepl - January 30, 2020, 12:43 am

Thanks, i used your referral link

but, Minimum withdrawal is 0.049. Keep playing! which is almost \$500
did you reach that

R1cky - February 16, 2020, 8:39 am

Thank you for this one.

you need to load jquery first, add

// @require <http://code.jquery.com/jquery-3.4.1.min.js>

in the header

TheForsaken - February 16, 2020, 5:32 pm

Using your referral link will post back
