Thread: [PSN and Google Play gift cards 78%](#)

nicbtc - September 24, 2019, 2:01 pm

Looking for google play or playstation network giftcards

Paying 78% rate ATM

Hit me up!

Is that 78% btc? And do you prefer Google Play or PSN or either one of them ok? I have someone supposed to pay me \$100 and he only has Paypal. My paypal is limited, so I'll have him buy one of those gc's with his Paypal funds. Let me know. Thanks

never deal or do any business with him , he is scammer and scammed me for 20 USD agc today

can show proof if anyone ask me .
