\$9 won't get you far tbh homie just put the time in instead use the \$9 for a discounted audible account or something listen to a couple finance books or what i do watch youtube vids. GL though boss

NakedBitch - October 6, 2019, 2:21 pm

Guys, this guy is scammer, he scam me on discord for \$50 only

Deal with caution!

iCash - October 9, 2019, 12:07 pm

Guys, this guy is scammer

There is his phone number (From Jamaica) 18763946335

Don't get scammed by this user ?

I think it's better to start something of your own rather than buying an e-book. You can create .edu emails and sell it for profit or just buy something worth \$9 then resell it to make profit.
