Thread: [IG/FB Verification + Username Claims + Verified @s Swaps \[Taking PayPal!\]](#)

Offering some services you might be interested in.

Instagram or Facebook Verification = £5k - you need articles about you or your business in 3-5 strong publications + a Google presence.

Don't you have enough articles/keep getting denied? That's not a problem with the PR packages!

Spoiler ([Click to View](#))

1) £15k for 5 full-featured news articles about you in google tailored for the verification process (Process will take around 2 weeks)

2) £18k for 5 full-featured news articles about you + Instagram Verification (Discounted rate as IG verification is normally £5k) (Process will take around 2 to 3 weeks)

Instagram/Facebook Inactive Handles - 3+ chars - £3k to £8k depending on the rarity of the names and the difficulty of securing the name (the process takes 5 to 10 days working max).

Instagram Verified @/s swaps - £3k - We'll change the @ on the Verified account without losing the tick - I believe I'm the only one offering this service here.

We're taking PayPal from somewhat reputable members and can use BTC with a MM.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
