I won this from a convention and I don't have any use for it as I'm stacked for now.
Looking to sell it.

I have :

2x 100 PSN codes

1x 100 XBOX code

1x 12 month PSN +

Looking to sell them for 75% or If you can take all of them Bulk I can sell it lower.

Drop a convo or PM.

Sent you a convo.
