Thread: [Negative B-rating to Positive B-rating](#)

spiral - *October 2, 2019, 9:22 am*

I saw that a month or two back someone asked a similar question and it seemed like it was possibly coming in the future, just wondering if it still could be?

I accidentally left a negative feedback on a buyer, mistaking him for someone else now a month has passed and I would like to be able to change it to a positive.
