Thread: [Random guy gave me negative popularity](#)

Anurag Agarwal - October 3, 2019, 4:46 pm

A guy named NATAS recently gave me negative popularity. But the thing here to note down is i dont even know him, nor ever had a word with him. So i thought of doing the same, but i cant give him any popularity. May i know why?

This thread will get your far.

And for a reason

Lmao popularity doesn't even matter. You can't give it because you need to upgrade your account.

" How about you start from learning basic programming languages, "

How about you learn about the popularity system in the help documents because the reputation system doesn't exist any more.
