Thread: [\[RANT\] E-books and Money making methods--- WHAT THE FUCK?](#)

Hey guys, are you fucking serious right now... I go to the Premium Sellers section and I expect to see something Premium being sold but instead all I see is these "500/DAY" "10,000/month" methods...

To all those who are selling these methods:

- WHY YOU DON'T JUST USE THEM YOURSELF?
- WHY SELL AND RISK GETTING THEM SATURATED?
- WHY SELL FOR 40\$ WHEN U ARE MAKING 400\$ PER DAY?
- WHY DON'T YOU DO SOMETHING PRODUCTIVE THEN SELLING AIR?

To all those who are buying these "BECOME A MILLIONAIRE IN 1 MONTH":

- DO YOU THINK SOMEONE IS MAKING 500\$ PER DAY AND WILL SELL IT TO YOU FOR 30\$?
- DO YOU THINK SOMEONE WILL RISK HIS METHOD FOR SELLING 30 COPIES X 30\$ WHEN HE MAKES "500\$ PER DAY"?
- DO YOU REALLY THINK READING SOME BULLSHIT PDF FILE WILL HELP YOU IN YOUR FINANCIAL CAREER?

CONCLUSION:

- E-BOOKS and these so called MONEY MAKING METHODS will not help you at all. Maybe, just maybe you'll get a return of investment but will be FAR FROM what they advertise.
- GET off your ass and do TRIAL AND ERROR until you get yourself your own money making method and just work ways to improve it
- DO NOT WASTE YOUR MONEY IN THESE EBOOKS THAT DO NOT WORK

Sorry guys, but had to fucking do this rant... I get a head-ache at how much millionaires we have in the Premium Sellers section who sell their precious methods to make 500\$ per day or even 10,000\$ per month for a lousy 30\$ or 50\$.

What's your opinion on this?

Talking about these types of "PREMIUM MONEY MAKING METHODS1?!?!?!?!?"

If they're serious about their shit working, why not give it away under contract. IF thier shit works it should pay for itself right?
