Thread: [\[CONTEST\] Diamond of Hell ~ Upgraded Users](#)

Lookin - October 5, 2019, 12:58 pm

Hello,

I am now eligible for Ub3r, as I have hit my 60-day mark, I'd like to do a contest, which helps both you and also me, as I need to get a set amount of popularity before I can upgrade.

The price is a Diamond of Hell award of \$15 in your preferred payment method. The reason the amount is smaller is since buying an award helps the site running, meanwhile picking the money reward, helps your pocket.

You enter by giving me positive popularity.

L33ts are to give a +1.

Ub3rs are to give +3.

V3ndors are to give +5.

Any questions? Feel free to ask.

Contest ends on the 1st of November.

I've left you a +3.

I will take the award or another award in its place. If not I'll just take the money instead.

Thanks for doing this. I know I've already got the DoH award but I think having two would look so sweet! I'd prefer a different award though tbh.

If I get the money I'll probably giveaway an award myself haha.

The contest is over guys, he set the deadline for the 1st of November. Not sure anyone got picked, though.

Blogger - December 4, 2019, 3:34 am

The contest has an end date, yes, but it's not over until a winner has been determined by the OP. Otherwise, this was a fake contest and that shit is not allowed here.

Lookin - December 4, 2019, 5:17 am

So sorry, everyone. I've been extremely caught up with work.

A winner will be chosen ASAP, and will be publicly posted here, so that there is no doubt about this NOT being a fake contest.

Again, sorry for the delay.

iNviZ - December 11, 2019, 4:28 pm

He was online four hours ago as well. Maybe his excuse is the award can no longer be purchased but fuck that, you can gift the green one again.

Blogger - December 11, 2019, 4:57 pm

He's supposed to determine a winner over a month ago. He came back and said he'd determine a winner after the fact. It's been a week since. I don't know. This is unnecessary.

Katyuska - December 11, 2019, 5:00 pm

I wonder if he will take care of this if we start changing out +reps for negs. I'm going to neg him atleast until he fixes this. He didn't even get the upgrade he was talking about.

Blogger - December 11, 2019, 5:02 pm

I may switch mine to a negative, too.

[Lookin](#) payout the winner upon coming online. Account closure is the penalty for fake contests.

Someone else please quote me here in 48 hours or so to make sure this gets handled.
