Thank you, I am glad you enjoyed the service. I am free to begin working on other projects. If you are reading this and searching for a service, then be cautious about who you trust with academic ghost writing. I am the only writer that will work on your paper. I will NEVER out source any assignments to any shady services. I am not a huge paper mill writing tons of essays every month. Therefore, you will get the same high quality essay EVERY TIME. Ask another service if they will be willing to get on a discord call and screen share the entire writing process with you.

If you have any questions or concerns, then do not hesitate to let me know!

I am looking forward to helping many HF users further their academic careers!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Huge vouch. He wrote my Personal Statement for me and it was so good that I'm probably gonna pay him to do the ones of my other college apps as well.

I said that I was probably gonna pay him to do another one of my college app personal statements, that's what I did. Came out even better than the first one, all he does it improve. Huge HUGE VOUCH!

OP did a pretty big essay for me for my college, he was livestreaming the whole process to me , from the research to the final piece. He finished well before the deadline and i was really satisfied with the final piece. I'm really happy to work with the OP i think it's the best price for quality that you receive imo since i have experience with other sellers. Definatly would recommend to use this service

I'm glad you enjoyed the service, a lot of my clients are messaging me saying that they are receiving messages from a user on this forum. Be cautious, do not trust someone who is selling the same service on 8 other forums. I only do assignments for HF users, and my track record is 100%. I am looking forward to another great semester.

ratproctor - January 6, 2020, 6:53 pm

Eipie has the best prices and you get MORE than what you pay for.

He's done several assignments for me both IT and gen ed. Always scores at or above the grade I asked for.

Someone infected my computer with a virus and has messed up my life. I will not be selling any service on this website. I will be finishing out all orders and shutting down my service.
