The minimum withdrawal is \$ 50

Website link:[/Books\\_free\\_earning\] lbrr](#)

All the data in the photos are my own

All you need to do is search in Google for books, novels, stories or any files in general that are popular and people search for them heavily provided that they are in pdf format.

You upload books on the site neatly with good keywords.

and upload the books all

Looks very interesting.

Also would you mind giving any tips on how to find good keywords and get a lot of views?

**giggetto94** - October 9, 2019, 5:39 am

can you upload other people books? doesn't this site block copyrighted material? seems too easy to be true honestly...
