You have 6 open disputes for similar trades and they have claims for exit scamming? Why?

Warning to the currency exchange community, DWC AND USE MM (Zexi or Living Lavish)

Edit: or just not at all

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley

Warning to the currency exchange community, DWC AND USE MM (Zexi or Living Lavish) Reposting. I'd advise to use MM with this user but it's pointless anyways because he's an obvious scammer. You can check out his 6 open scam reports [here](#).
